## SPEECH

### **MD. BILLAL HOSSAIN**

#### *Chairman*

It is a great pleasure to introduce Al-Madina Group (AMG), which indeed symbolizes on identity of professional achievement of excellence and outstanding performance of its subsidiary companies. The process began in 1997 under the leadership of its managing director Mr. Md. Zakir Hossain Patowary. An ambitious energetic leader has a paramount importance to develop a business and he is such a pioneer. Since the last 22 years his ideas and business philosophies has been the single most contributing factor to shape and guide the destiny of Al-Madina Group and its subsidiary companies.

Al-Madina Group is one of the illustrious stars in the business sky of Bangladesh being the path to business world. Our business is built on intellectual capital on creative ideas from our people that set up a chain reaction of added value for the market, our products, our customers and ultimately of our business.

The Al-Madina Group sister concern has achieved ISO 9001:2000 certification for Quality Management System. We are proud for our ability to manufacture and market Quality products.

### **MD. ZAKIR HOSSAIN PATOWARY**

#### *Managing Director*

Today, Al-Madina Group is one of the larger conglomerates of Bangladesh and flourished in business Industries including Real Estate, Construction, Manufacturing, Land Development, Commercial Banking, International Trade, Milk & Dairy Products, Agro & Poultry Products, Footwear and Pharmaceutical Industry. At last, I would like to thank all of our staffs and officers for putting their tremendous effort since these years. This is ensuring the group's continuous growth, driving forward from one millennium to the next with renewed vigor and ever improving results.

The needs of medical support for Human & Animal are becoming more advanced day by day. We are devoting our best effort to introduce new and useful pharmaceutical products and moving forward step by step, towards becoming a comprehensive health care company.

The pharmaceutical business is a composite of variety of professional backgrounds including Pharmacists, Engineers, Accountants, Marketing Professionals, Medical Regulatory Specialists, Business Development Executives and Market Research Specialists.

In Al-Madina Group, we have a right combination of skills and experiences to execute our strategy, integrity and innovation, which become deeply rooted throughout our organization. We are actively involved with the international markets and recently we are importing & exporting pharmaceutical products in several countries. We are proud for our business excellence in local as well as international market.

## MD. KAMRUL ALAM

Director

Today, Al-Madina Group is a larger conglomerates of Bangladesh and flourished in business Industries including Real Estate, Construction, Manufacturing, Land Development, Commercial Banking, International Trade, Milk & Dairy Products, Agro & Poultry Products, Footwear and Pharmaceutical Industry.

Al-Madina Pharmaceuticals Ltd. is very reliable pharmaceutical company for the past several years, which is becoming advance day by day. As the director of AMPL, I like to be calculative about the expenditure and proper use of assets and also give force to operate the business with minimum cost. I am also trying my level best to make our company more dynamic and competitive in the marketplace.
